Grading Agreement

- I, (Nirosh Ravindran, BSCP|CS|63|134), confirm that I have read and understood how this unit works: I understand that:
- I will receive a grade in accordance with the number of modules and tasks that I complete;
- I can change my target grade at any time during the trimester, up until I submit my portfolio.
- I am responsible for providing evidence of my work to satisfy the requirements in each module completed.
- Following my initial submission, I will work with my tutor and the teaching team to update and complete my submissions until they demonstrate that I have achieved the learning objectives of the module.

I commit to submit the initial submission of my work before the deadlines listed in the table above. I acknowledge that these deadlines can be modified by me, in agreement with my tutor, when the necessity occurs, and that I am responsible for requesting these modifications as soon as I become aware of the need to do so, and no later than the deadline to be modified.
